# Buy a Brick

**Support Project Love Food Pantry**

Our mission is to serve our community by providing assistance to those in need with compassion, respect & dignity. We offer canned goods, cereals, pasta, meats, breads, milk and other assorted food items; as well as personal care items, paper products and cleaning supplies. Our goal is to help, feed and educate those in need.

Our current location is a 2-bedroom house constructed over 60 years ago. The house was never intended to accommodate the type of traffic/use we are experiencing. The new facility will provide for a food pantry and will include an Opportunity Center. The proposed facility is estimated to cost approximately $250,000.
